

LANE RESTRICTIONS

Westbound Century Blvd at Avion Dr

Friday, October 11 at 8PM through Tuesday, October 15 at 5AM

ACTIVITY

To facilitate civil work including sidewalk restoration for the Automated People Mover Project, westbound lanes on Century Blvd at Avion Dr will be restricted Friday, October 11 at 8PM through Tuesday, October 15 at 5AM.

At least two lanes on westbound Century Blvd will be maintained at all times. Avion Dr north of Century Blvd will not be accessible from any direction during this work.

Pedestrian movements (east / west) along the north side of Century Blvd will be maintained via a temporary pedestrian pathway while work is performed on the existing sidewalk area. Pedestrian movements (north / south) across Century Blvd along the west side of Avion Dr will also be maintained via flaggers.

Please note: A portion of the sidewalk along Avion Dr will not be accessible from Century Blvd; pedestrians going to / from businesses at this portion of Avion Dr (Sheraton, Skyview) will be directed north to use 98th St.

Flaggers and signage will be in place to facilitate vehicular and pedestrian traffic. Please watch for posted signage and always use caution when traveling near construction areas.
