

EXTENDED: LANE RESTRICTIONS

Aviation Boulevard between Arbor Vitae Street & Century Boulevard

Extended through September 2024

ACTIVITY

To facilitate construction activities for the Landside Access Modernization Program (LAMP), northbound Aviation Boulevard between Arbor Vitae Street and Century Boulevard is closed continuously (24/7) through September 2024.

Northbound Aviation Boulevard traffic is detoured via westbound Century Boulevard, northbound Airport Boulevard, and eastbound Arbor Vitae Street. Detour signage is in place with flaggers on site to assist with wayfinding and maintenance of traffic.

Please note: A nightly full closure of both north- and southbound lanes at this portion of Aviation Boulevard may be implemented on an as-needed basis for construction activities (limited overnight hours between 9PM and 5AM). When the nightly full closure is in place, detour routes for both north- and southbound traffic will be in place.

Please use caution when traveling near construction areas and plan ahead for potential delays.
