

# PARKING STRUCTURE 2B

## Arrivals & Departures Ingress Impacts

Tuesday, August 31 through Friday, September 24, 2021

### ACTIVITY

To facilitate work for the ABM Smart Parking Project and the construction of the Automated People Mover's Terminal 2.5 Pedestrian Bridge, Parking Structure 2B will experience impacts to both the Arrivals and Departures Level entrances beginning Tuesday, August 31 through Friday, September 24, 2021.

### ARRIVALS IMPACTS

- TUE. 8/31 - FRI. 9/17: Arrivals entrance closed continuously <sup>24/7</sup>
- FRI. 9/17 - FRI. 9/24: Arrivals entrance closed nightly, 12AM to 6AM

### DEPARTURES IMPACTS

- FRI. 9/17 - FRI. 9/24: Departures entrance closed continuously <sup>24/7</sup>

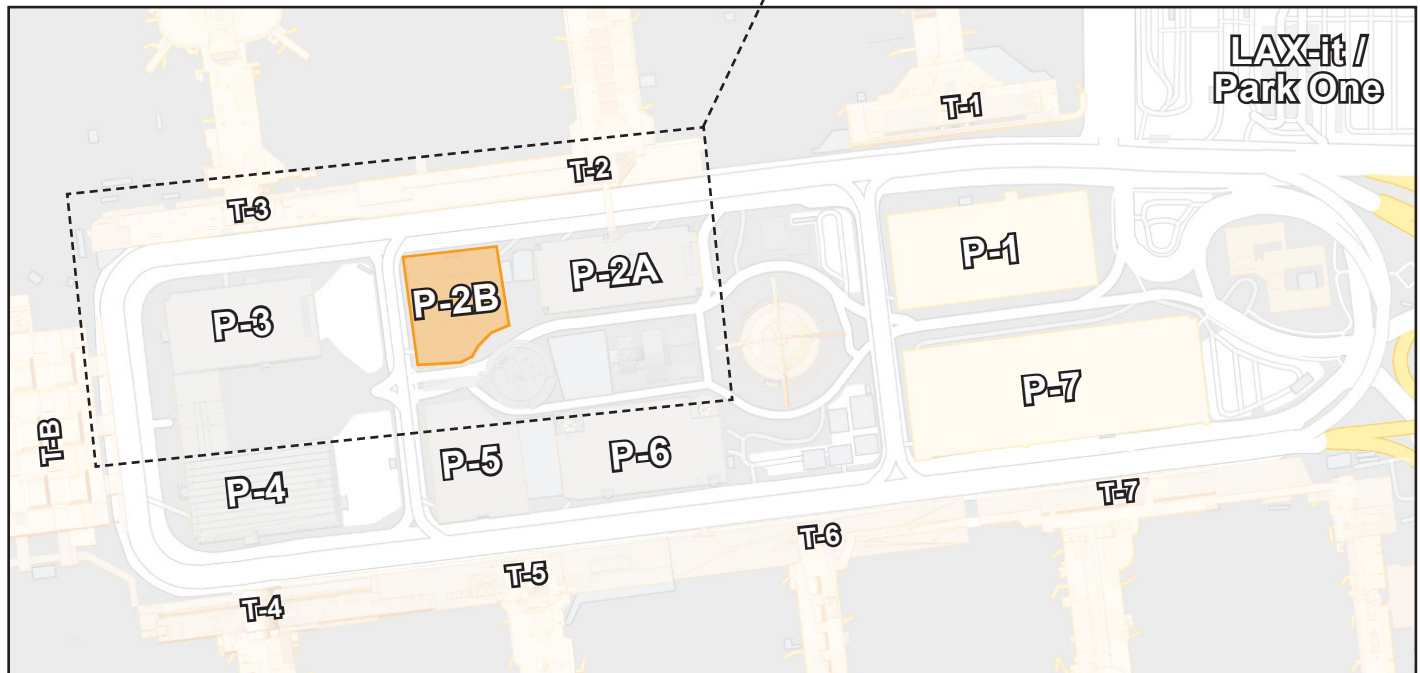

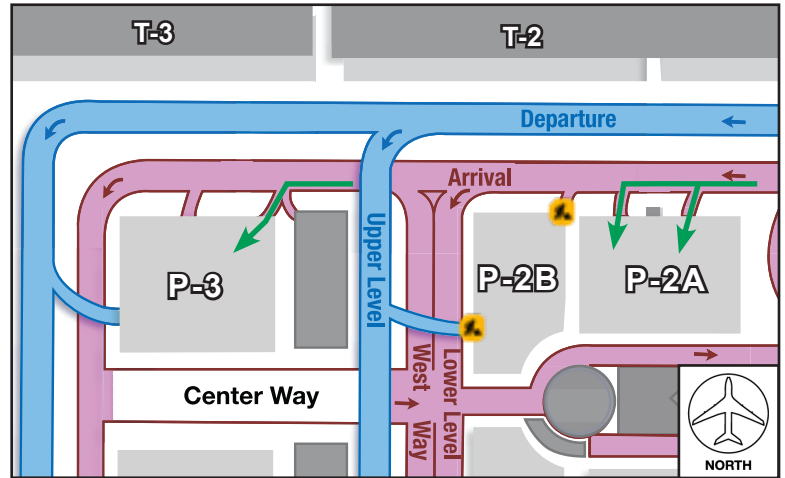

### ALTERNATE PARKING

Alternative parking options include Park One, Parking Structure 2A or Parking Structure 3.

Access Park One via southbound Sepulveda Boulevard or westbound Century Boulevard using the first entrance on the right for both routes.

For the duration of this project, employees will be granted temporary access to park in Parking Structure 3.
